ERS Search Functions

◆ Home Department (Current Default Search)
  ◆ The Home Department search captures all of the reports for people *currently* assigned to the department in EDB.
  ◆ This may not capture all of the people that performed effort in the department.

◆ Account Department
  ◆ The Account Department search captures all of the people paid from department funds (example 19900, sponsored projects, non-sponsored projects, all other departmental FAUs) regardless of EDB home department.
  ◆ Account Department will give you a more accurate reflection of those that performed effort in the department.
